Dear Valued Customer:

All of us here at Sticker Store and More, in our quest to continually improve our service offerings, are very excited about our new website. In our continual quest to improve the quality of services that we offer, we believe the new look website reflects our new approach for our second decade of service to the Downriver Detroit area paper crafting enthusiasts. There have been many changes since Sticker Store and More first opened its doors in October of 1998, and through all of those changes you, our loyal customers, have been there helping us grow and change to become one of the area's largest and longest standing independently owned niche paper crafting store.

To celebrate your support we will be offering a secret coupon on our website. All you have to do is find the hidden button, click on it, print out the valuable coupon and bring it in to redeem it! This is just the first of many interactive components that we will be offering on our website, and we hope you enjoy the challenge. It is our hope that it will assist in familiarizing you with our new website. We know that it will be fun!

The hidden button can appear anywhere on any page, and it will be moved around periodically. The frequency of moving the hidden button will vary, and at any given time you may find more than one hidden button that will reveal an otherwise un-published coupon.

You know you have found the button when you move your mouse cursor over the area where the button is hidden and the pointer changes to a hand symbol, indicating a hidden hyperlink that will take you to the special coupon.

Thank you for your continued support and friendship.
