

## News & Notes

Summer is just around the corner, and we are all certainly looking forward to seeing the cold, rainy weather behind us for good. Of course before we get to the fun of summer we have to first get through graduation season. That's right, many of you are busy trying to get all of your preparations for your child's graduation celebration complete. Chief among those preparations, of course, is the completion of an academic career scrapbook that, in the past few years, has become an expected part of the process. That's where we can help!

We recently completed our **School Album** six-week series and had a number of our customers work through the entire six-week class to complete their album. If you missed your chance, don't despair. Come on by and we can help you select all of the requisite products to complete your very own school album. And while we won't be able to provide the instruction, layout design and hands-on assistance that we provided for those that paid for the class instruction, our entire staff is always happy to offer suggestions, assist in product selection and help in anyway that we can.

Red Wing fans will want to take note that we recently received some great new products to memorialize your trips to Joe Lewis Arena during this year's march to the Stanley Cup title. We also have some great new Detroit Tigers products just in time for a great summer of baseball here in the Motor City.

We would like to announce that Julie Ringuette, a long-time member of the Sticker Store and More family, has left her position here to take on a different position elsewhere. We wish her the best and will miss her very much. We are hopeful that she will be available to assist during special events in the future as we know how much our customers appreciate her.

Finally, we would like to extend a very enthusiastic welcome to Chris Murphy, who is the newest member of our team of creative associates. Chris has been a long-time friend and customer who recently retired from her "real" job and has agreed to come on board here at Sticker Store and More to have some fun in a totally new environment. We already know how talented she is as a paper crafting enthusiast. All of you will soon know that, as well!

Happy Scrapping and Stamping!

*Karen*

## Star Spangled VIS Crop!

Saturday, July 4th is, of course, Independence Day, so we thought we would invite out VIS Club members to join us here at the store for an all-day crop. Of course the VIS Crops are just one of the many benefits of membership as they are free to attend for active VIS Club members on a first-come, first-served basis.

The Fun begins at 10am and goes until 6pm, leaving you time to still enjoy a family barbecue, if you so desire. We will be serving traditional cook-out foods, but would ask that everyone bring a dish to pass (Riecki will be firing up the grill and grilling chicken kabobs).

We will also have a best-dressed contest, so don your very best patriotic outfit and one lucky, well-dressed attendee will receive a nice prize. We will also offer special coupons for attendees only that day.

So while our country is still great, let's celebrate - Sticker Store and More style - with a fun-filled, relaxing day of scrapbooking at our Star Spangled VIS Crop.

**Date:** Sat. Jul. 4th **Time:** 10am to 6pm

**Fee:** FREE for active VIS Club Members only.

Not a VIS Club Member? Join today and reserve your spot. Being a member only costs \$15 and you, too will start enjoying all of the amazing membership benefits!

## SDC Crop Club

The **Stop, Drop & Crop Club** meets on the 3rd Wednesday of every month, and is dedicated to bringing people together that share a passion for the craft of Scrapbooking.

In June we will be featuring a Friendship Box swap. You should bring a completed friendship box to the meeting filled with embellishments and we will be having a swap so you will bring home a different friendship box made by someone else filled with a different assortment of embellishments.

The 5-for-5 swap features "Thank You" cards. Make five identical "Thank You" cards and swap them for five different "Thank You" cards. We will also finish Geri & Sydney's pages for the 8x8 scrapbook project. Sharon will demonstrate how to make the Scrapbook Purse, as well.

The SDC Crop Club provides an opportunity to learn many great new techniques, get to know new people and to just have an enjoyable evening out! Attendees are encouraged to bring their scrapbooks to share their work with the group. We all like to see the work of others. The membership fee is only \$12 per year, so why not join today!

**Meeting Dates:** Wed. Jun. 17th **New Meeting Times:** 6:30 to 8:30 PM

## Have You Seen Our New Website?

Any of our loyal customers that happened to log on to our website on April 1st were greeted with a somber announcement regarding our planned closing on June 1st. Of course, those of you that clicked through that were happily greeted with a cheerful "April Fools" message.

The purpose of our shocking little April Fools message was to draw attention to our new website, which went live at the end of the day on April 1st.

We certainly hope that those of you that failed to click through the April Fools message on April 1st have since come to understand that Sticker Store and More is NOT going to close on June 1st or any other day. We do, however, have an exciting new website that has been the talk of the town since it's launching on April 1st.

If you haven't been to our website since the new site went up, why not check it out right now? One of the features that you will find is a hidden coupon, which is updated once a week, and the link moved to new hidden location on the site. Check it out! It's fun to find it and the coupon is well worth the time and effort. Besides, it's a great way to get familiar with the features of our new website.
